JOHN HARVARD MALL

THE PROJECT:

As part of the Boston Parks and Recreation Departments continuing efforts to provide quality open space and recreation areas for use and enjoyment by all residents of the city, efforts are underway to make improvements to **John Harvard Mall**.

WE NEED YOUR HELP!

The Parks Department is looking for interested community members to help us in determining how the John Harvard Mall will look and function in the future. This park renovation provides a unique opportunity to **create a space for all**.

WHAT TO EXPECT:

Representatives from Weston & Sampson Inc., as well as a Parks Department official will be on hand to give a brief presentation. The presentation will provide an overview of the schematic design alternatives. Following this presentation, community members will be invited to offer input regarding the material presented.
